Age-graded Developmental Theories – Changes expected are developmental milestones

- Newborn – Apgar
- Attachment – Bowlby
- Psychosocial – Erickson
- Psychosexual – Freud
- Cognitive – Piaget
- Social Learning – Bandura
- Sociocultural development – Vygotsky
- LGBT Identity – Cass
- Race identity – MANY – perform a search for “racial identity development model”
- **Moral development – Kohlberg**

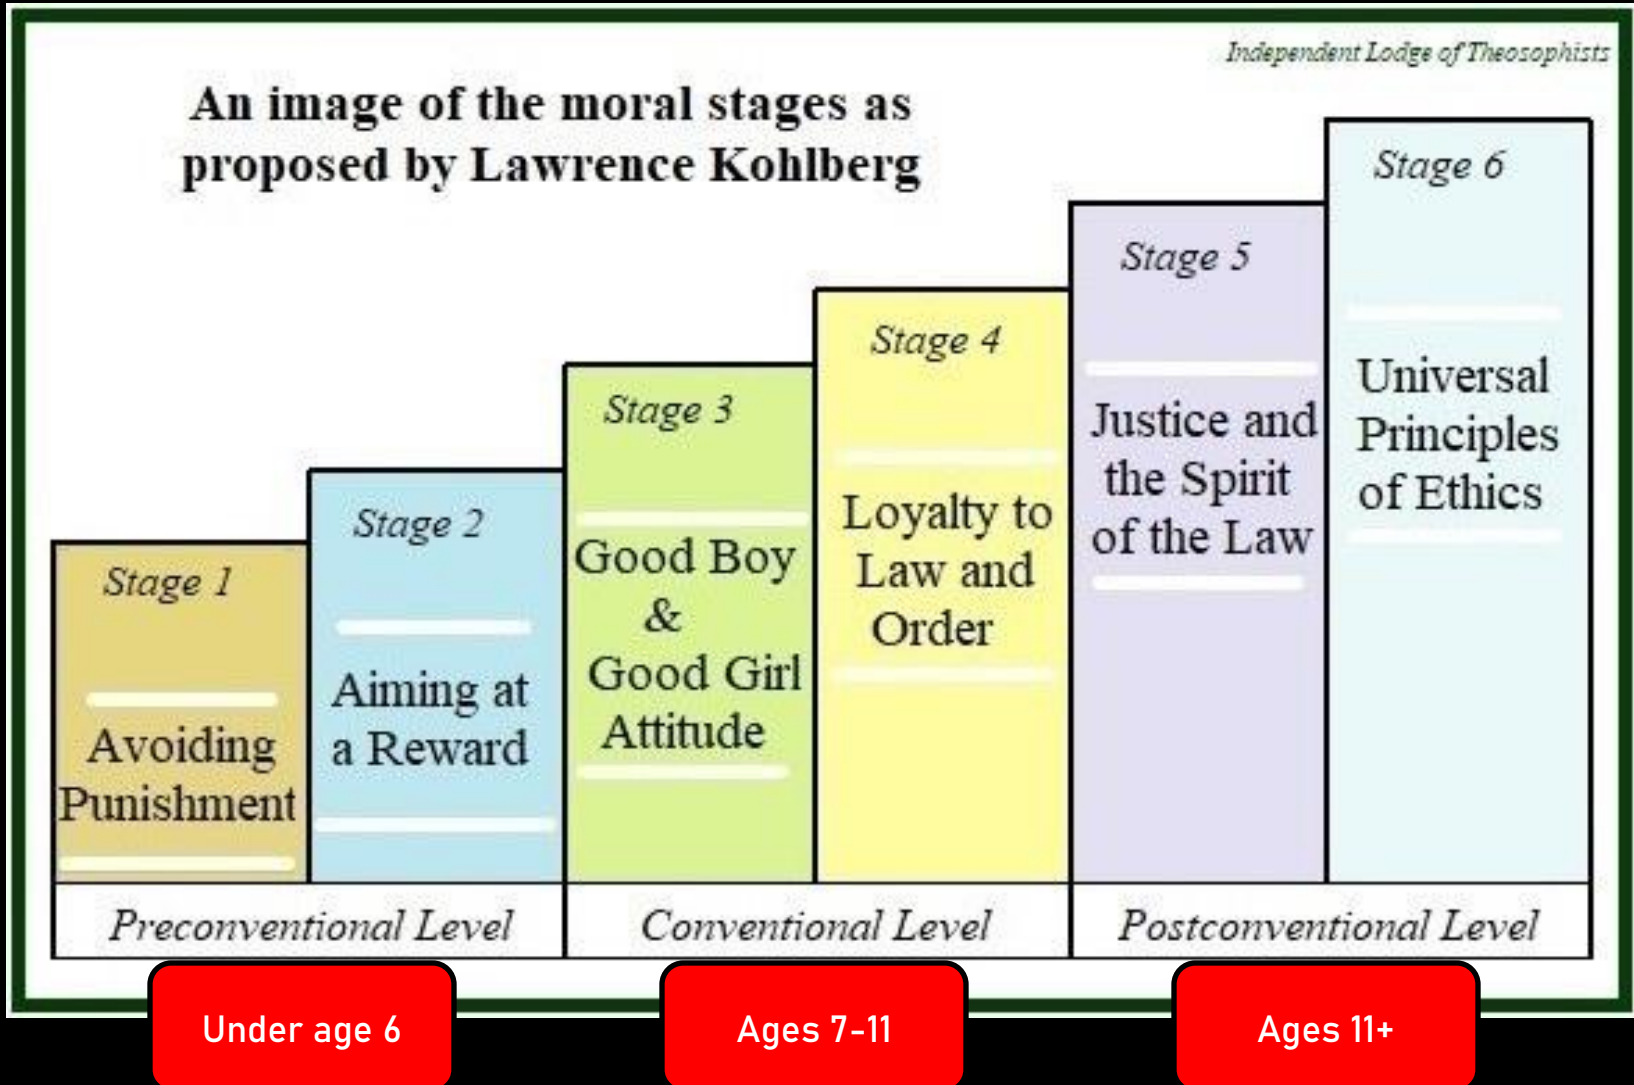

What Can Impact Developmental Milestones?

Kohlberg's Moral Development

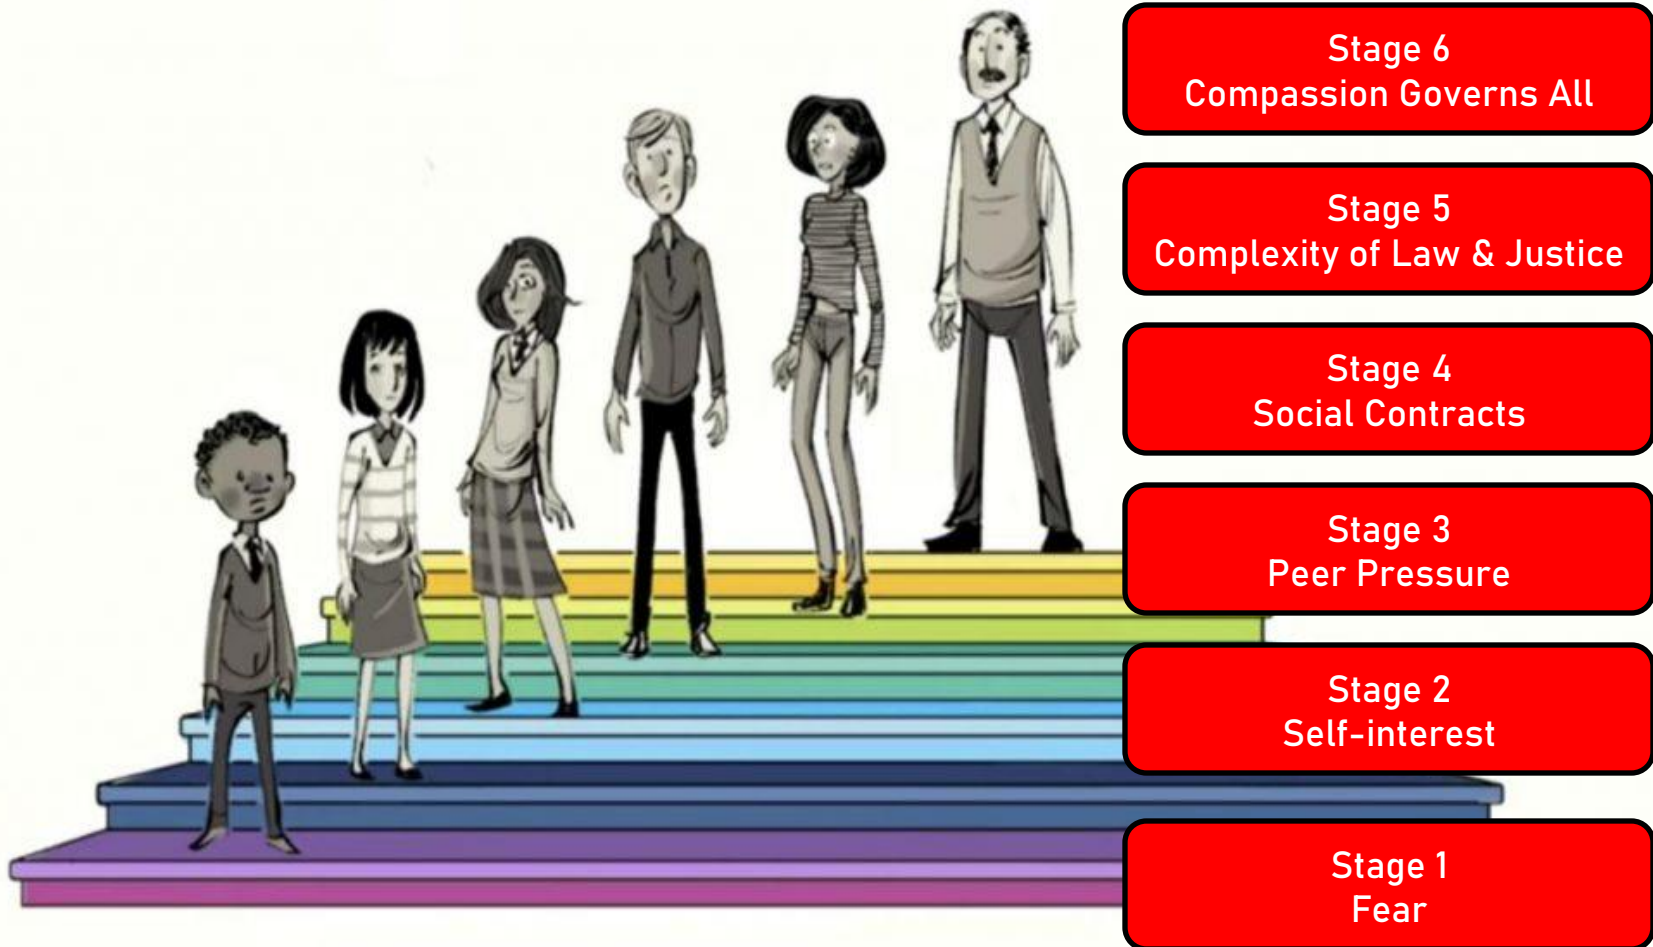

Independent Lodge of Theosophists

An image of the moral stages as proposed by Lawrence Kohlberg

<https://www.filosofiaesoterica.com/kohlberg-and-the-stages-of-moral-development/>

Kohlberg's Moral Development

<https://sproutsschools.com/kohlbergs-6-stages-of-moral-development/>

Kohlberg's Moral Development Key Questions by Stage:

1. Will I be caught and punished?
2. What's in it for me?
3. Will I look good to my peers?
4. Is it law?
5. Is it helpful for other people?
6. Is it what I believe in as T/truth?

What does this have to do with masks?

Care for Others
Versus
Personal Liberty

COVID
Doesn't
Really
Care
Do
U?

Moral Crisis
(micro/mezzo/macro)

GRADUATES
RISE

How do people choose to Stay At Home – Social Distance – Mask Up?

Consciously
Or Intuitively?

Dual Process.
led by intuition over
reason

Moral Foundations Theory (MFT)

Accept or Resist
government orders/
recommendations?

Caring
Fairness
Loyalty
Authority
Sanctity

Predicts Acceptance

(Chan, 2021): <https://www.ncbi.nlm.nih.gov/pmc/articles/PMC7577686/>
(Betsch, et al., 2020): <https://www.pnas.org/content/117/36/21851>

Moral Foundations Theory (MFT)

Is it natural or unnatural to utilize public health measures?

(Chan, 2021): <https://www.ncbi.nlm.nih.gov/pmc/articles/PMC7577686/>
(Betsch, et al., 2020): <https://www.pnas.org/content/117/36/21851>

Won't history just repeat itself?

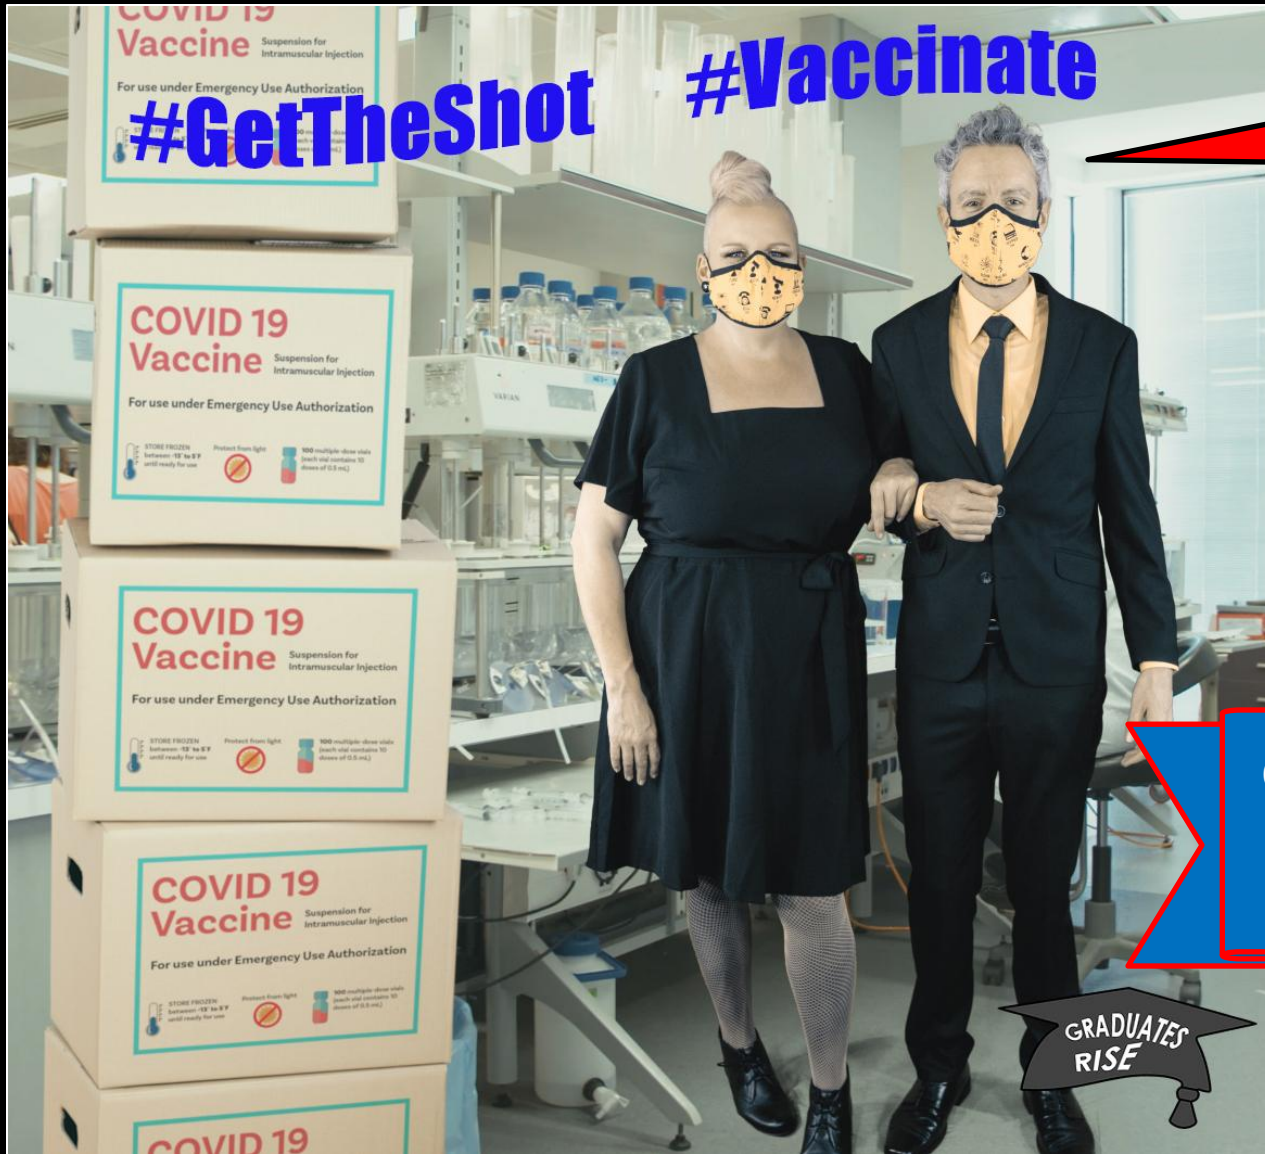

Individual
Change or
System
Change?

Masks only work if everyone does it... Being consistent & fair may be the best thing governments can do...

(Betsch, et al., 2020): <https://www.pnas.org/content/117/36/21851>

Does morality also apply to vaccines?

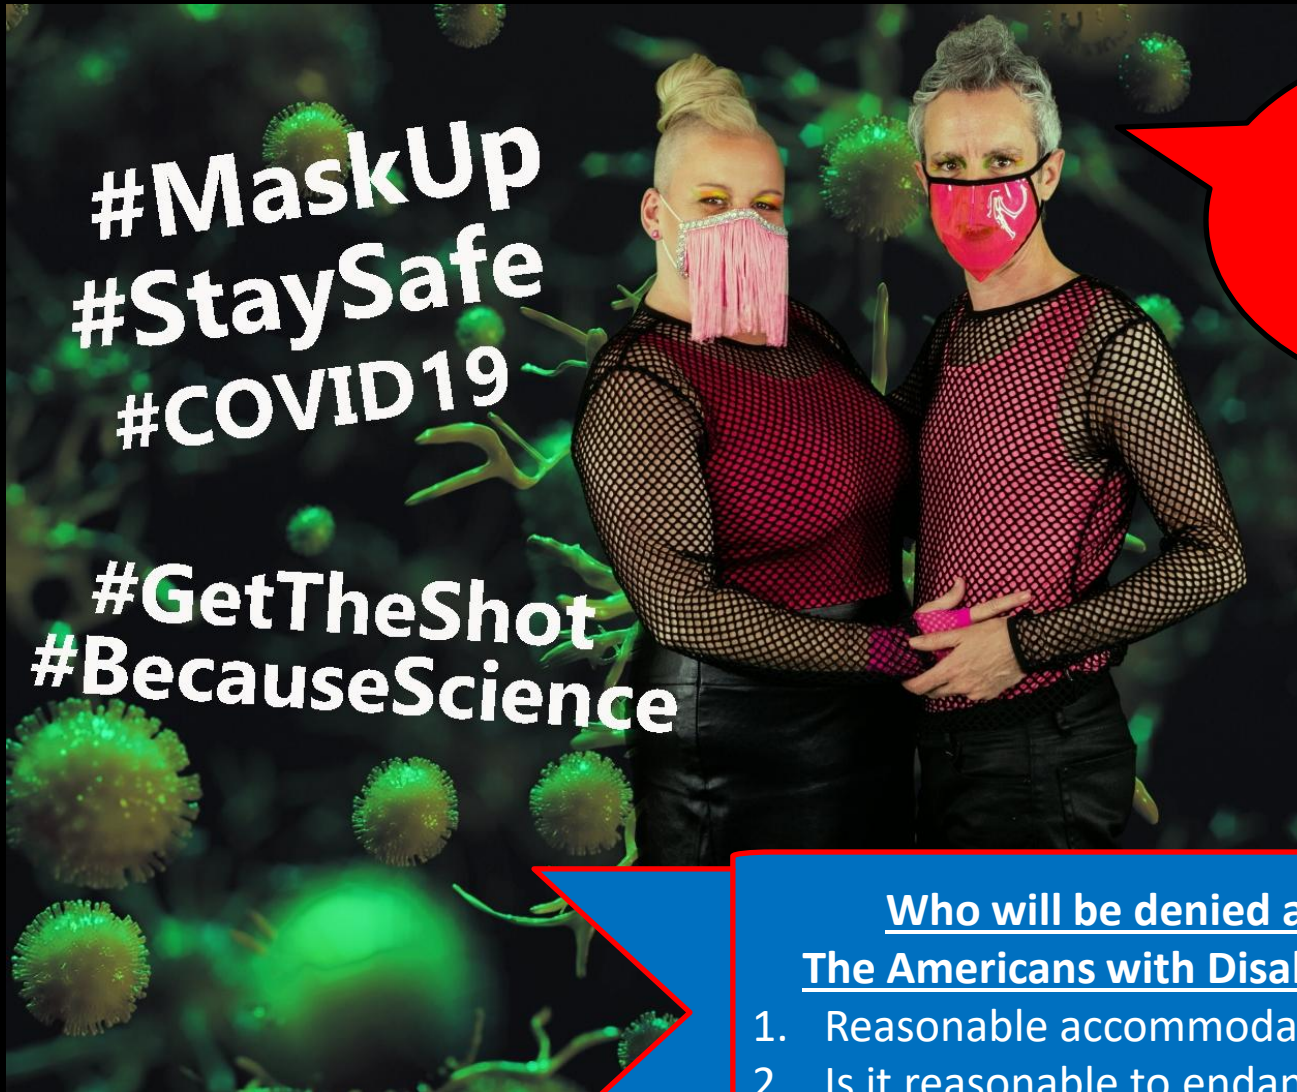

Yep.

Collective Action
is required for
public health

GRADUATES
RISE

What about Vaccine Passports?!?!?

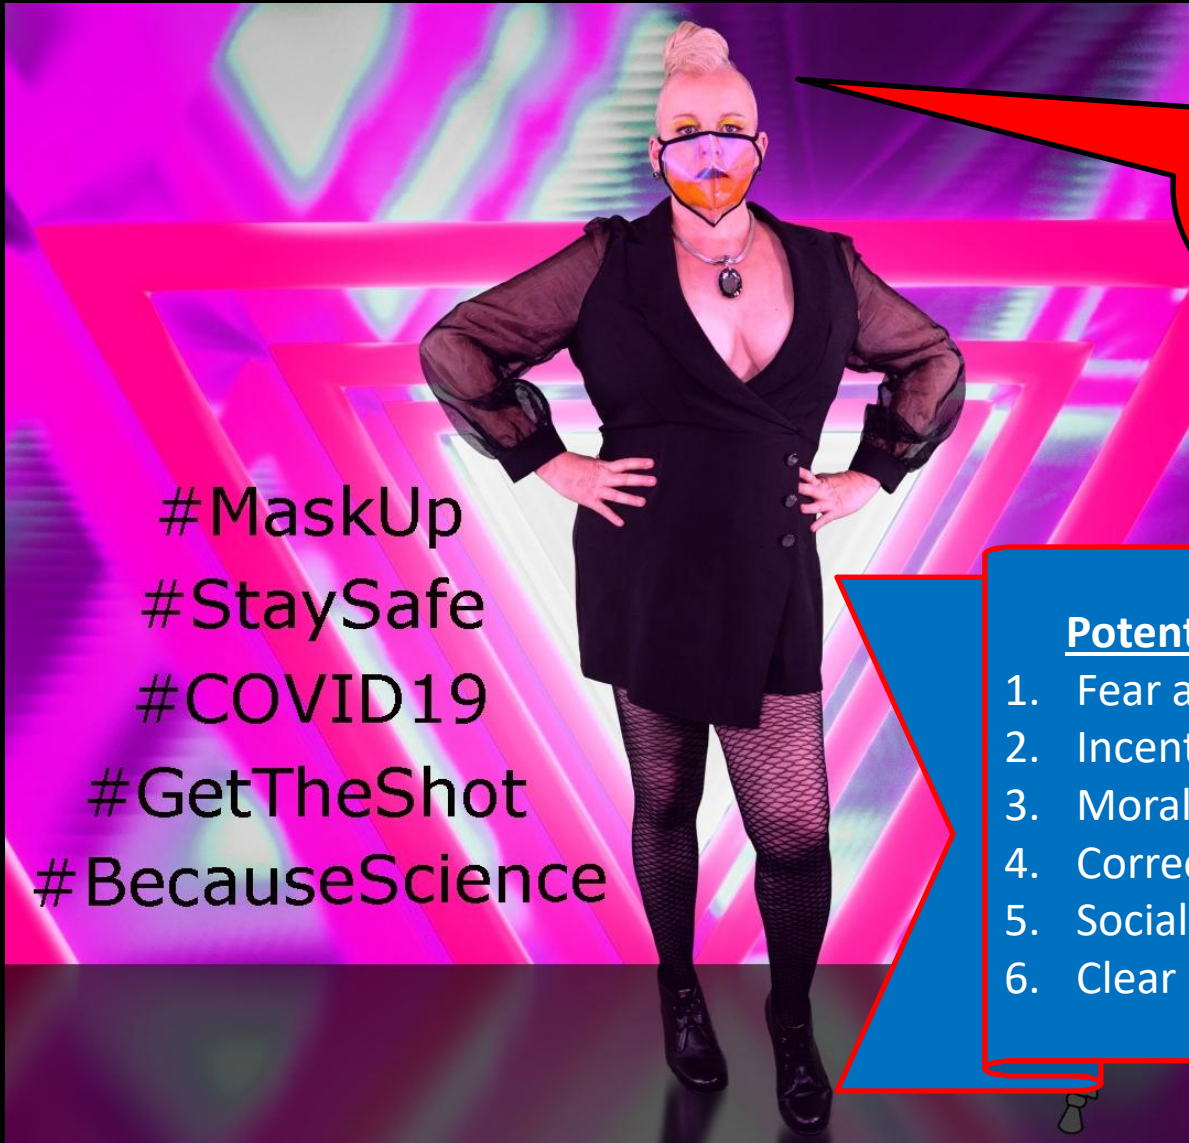

Should vaccines be Mandatory or Voluntary?

Who will be denied access?

The Americans with Disabilities Act:

1. Reasonable accommodations only
2. Is it reasonable to endanger others?

Can someone's morality change?

#MaskUp
#StaySafe
#COVID19
#GetTheShot
#BecauseScience

Yes! It's a developmental theory because change is inevitable!

Potential Interventions:

1. Fear appraisals
2. Incentives/Disincentives
3. Morality Reflection
4. Correct Misperceptions
5. Social Norms marketing
6. Clear Policies & Practices

What motivates you to wear your mask?
How does morality impact your SOWK practice?
